FIRST NATIONAL BANK
Of Punta Gorda

Mortgage Filed for Three Million
Dollars

The Palm Beach & Everglades
railroad Company has forwarded
to Lee county for record a mort-
gage for \$3,000,000 given to the
American Trust Co., of Jackson-
ville, says the Fort Myers Press.

The document will be filed for
record in Lee, DeSoto and Palm
Beach counties. The work on the
railroad that is being built from
West Palm Beach to LaBelle is go-
ing forward rapidly. The grad-
ing crews have been making rapid
progress and the driving of the
golden spike for the first steel is
scheduled for today at West Palm
Beach.

A great celebration has been
planned for the starting of the
steel laying. The management of
the road and the civic organiza-

tions of the East coast towns have
invited the state officials and an
elaborate program has been ar-
ranged.

Errors in Newspapers

The capacity of some people for
detecting errors in the newspapers
is marvelous, remarks the Iowa
City Republican. Also it is singu-
lar how many unexpected mean-
ings these people can find.

If the reporter writes that a
man wore a coat of such and such
a character, some one may call up
and ask if the coat was all the
man had on? To satisfy these lit-
eralists you must enumerate item
by item the other articles of attire,
or they will accuse you of making
the victim appear half naked.

The reader who digests his pa-
per in the quiet of his home feels
that he has shown great brilliancy
if he detects an error in grammar
or capitalization. It is one thing
to find mistakes at your leisure in
another man's work, quite another
to turn out a high degree of
accuracy and precision in the
haste of newspaper composition.

The banker makes blunders in
his figures, the lawyer draws up
incorrect papers, and the business
man submits erroneous bills. Such
blunders are known only to the
few persons whom they concern.
The newspaper is like the actor
on the stage, whose slightest
slip is manifest to all, and seems
ridiculous.—Pathfinder.

DISTINCTIVE NAME "SEALDSWEET" ADOPTED BY THE FLORIDA CITRUS EXCHANGE

All Fruit Handled Will Go Out Under this Name, Which Will En-
able the Organization to Advertise in a Way to
Realize More Benefits

Sealdsweet was adopted as the
trade name for all fruit handled
by the Florida Citrus Exchange at
the monthly meeting of the di-
rectors. The directors also de-
cided upon a retain of three cents
per box for advertising purposes.

The question of advertising was
discussed thoroughly. The three-
cent retain will amount to over
\$60,000. This amount will be
spent through magazines, window
cards, cut-outs and newspapers.
The bulk of the advertising will
be done in various communities
through the medium of the local
newspapers.

The board voted to contribute
1-6 cent per box to the Florida
Growers' and Shippers' League to
be used in combatting the citrus
canker. The amount contributed
is expected to reach over \$3,000.
The adoption of the trade name,
which will go on every piece of
fruit sent out by the Exchange,
was to secure the greatest possible

benefit to the members of the Ex-
change. General Manager L. D.
Jones pointed out that the use of
this trade name in advertising
would attract all of the "pur-
chased" attention to the Seal-
sweet brands. In the past, the
Exchange advertising has re-
sounded to the benefit of other
shippers of Florida oranges.

In addition to the general trade
name for all Exchange fruit, each
association will have its individual
brand to signify the section from
which the fruit comes.

The meeting was attended by
Dr. J. H. Ross, president, of Flo-
rence Villa; Edward Parkinson of
Alva, H. C. Hatton of Arcadia, C.
E. Stewart Jr., of DeLand, L. W.
Tilden of Winter Garden, H. L.
Borland of Citra, Dr. W. C. Rich-
ardson of Tampa, and A. L. Rodin
of Orono, representing their
various counties. Only three
members of the board were ab-
sent.—Tampa Tribune.

bound book and contains much in-
teresting information about our
State University and the excel-
lent courses of instruction offered
there. First, is given general in-
formation concerning the history
of the institution, equipment, reg-
ulations, expenses, etc., and then
follows in order a description of
the courses offered in the various
departments of the University,
viz., College of Arts and Sciences,
College of Agriculture, College of
Engineering, College of Law,
Teachers' College and Normal
School, and an account of the
work being carried on by the Di-
vision of University Extension,
Agricultural Experiment Station,
State Nursery Stock Inspection,
Farmers' Co-operative Demon-
stration Work, etc.

Despite the great financial stress
over the country during the past
year the enrollment was the larg-
est the school has ever known, be-
ing six hundred and forty-seven,
including two hundred and sixty-
nine in the University Summer
School. Counties represented, forty-
nine; States and foreign coun-
tries, twenty.

Pineapple Preserves

Cut fruit in slices, chips or
quarters. To each pound of fruit
add a cup of water. Put in a
granite kettle, cover and boil
slowly until tender and clear.
Then take from the water, in a
dish. Add to the water, sugar,
pound for pound, stir till all is
dissolved, put in pineapple, cover
kettle, and let boil slowly until
transparent, then take out fruit
and put in glass jars. Let the
syrup cook till thick and rich,
then pour over fruit.

CRYING FOR HELP

Lots of it in Punta Gorda But
Daily Growing Less

The kidneys often cry for help.
Not another organ in the whole
body more delicately constructed.
Not one more important to
health.

The kidneys are the filters of
the blood.

When they fail the blood be-
comes foul and poisonous.

There can be no health where
there is poisoned blood.

Backache is one of the frequent
indications of kidney trouble.

It is often the kidneys' cry for
help. Heed it.

Deafness Can't Be Cured

by local applications, as they cannot reach
the diseased portion of the ear. There is
only one way to cure deafness, and that is
by constitutional remedial. Deafness is
caused by an inflamed condition of the mu-
cous lining of the Eustachian Tube. When
this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is
entirely closed, Deafness is the result, and
unless the inflammation can be taken out
and this tube restored to its normal con-
dition, hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condition
of the mucous surfaces.
We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure.
